# CND FINANCIAL LTD. NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2018

### NOTE 1 – NATURE OF BUSINESS AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

### Nature of Business:

CND Financial Ltd., (the Partnership) was organized in June 2004 as a Texas limited partnership. The Partnership is registered as a broker/dealer with the Securities and Exchange Commission (SEC) and is a member of the Financial Industry Regulatory Authority (FINRA) and Securities Investor Protection Corporation (SIPC).

The Partnership operates under the exemptive provisions of Rule 15c3-3 (k)(2)(i) of the Securities Exchange Act of 1934, and accordingly, is exempt from the remaining provisions of that Rule. The Partnership does not hold customer funds or securities.

The general partner of the Partnership is CND Holdings LLC (General Partner). The General Partner has the authority to manage and control the business affairs of the Partnership.

The Partnership terminates on December 31, 2054, unless sooner terminated or extended as provided in the partnership agreement.

The Partnership's operations consist of providing best effort bond underwriting services for churches throughout the United States.

Significant Accounting Policies:

### Use of Estimates

The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of the assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

### Fair Value of Financial Instruments

Substantially all of the Partnership's financial asset and liability amounts reported in the statement of financial condition are short-term in nature and approximate fair value.

### Property and Equipment

Property and equipment is recorded at cost less accumulated depreciation. Depreciation is recorded using the straight-line method over estimated lives of three to five years.

### **NOTES TO FINANCIAL STATEMENTS**

### **December 31, 2018**

### NOTE 1 - NATURE OF BUSINESS AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

### Revenue Recognition

The Partnership participates in best efforts bond underwritings for churches that want to raise funds through a sale of debt securities. Underwriting revenue and related fees are recognized on the trade date. The Partnership believes that the trade date is the appropriate point in time to recognize revenue as there are no significant action which the Partnership needs to take subsequent to this date, and the issuer obtains the control and benefit of the offering amounts at that point. These amounts are considered variable consideration as the uncertainty is dependent on the achievement of certain levels of investment have been reached as specified in the offering documents, which is highly susceptible to factors outside the Partnership's influence. Revenues are recognized once it is probable that a significant reversal will not occur. Retainers and other fees received from customers are reflected as contract liabilities and are recognized over time as the performance obligations are simultaneously provided by the Partnership and consumed by the customer.

### Leads, Marketing, and Promotion Costs

The Partnership expenses leads, marketing, and promotion costs as they are incurred.

### **Income Taxes**

Taxable income or loss of the Partnership is included in the income tax returns of the partners; therefore, no provision for federal income taxes has been made in the accompanying financial statements. The Partnership is subject to the state income taxes.

As of December 31, 2018, open Federal tax years subject to examination include the tax years ended December 31, 2015 through December 31, 2017.

### NOTE 2 - NET CAPITAL REQUIREMENTS

The Company is subject to the SEC Uniform Net Capital Rule (SEC Rule 15c3-1), which requires the maintenance of minimum net capital and requires that the ratio of aggregate indebtedness to net capital, both as defined, shall not exceed 15 to 1. Rule 15c3-1 also provides that equity capital may not be withdrawn or cash dividends paid if the resulting net capital ratio would exceed 10 to 1. At December 31, 2018, the Partnership has a net capital of \$124,555 which was \$119,555 in excess of its net capital requirement of \$5,000. The Partnership's net capital ratio was 0.37 to 1.

The Agreement was for an initial one-year term and renews annually unless canceled by either party, and has automatically renewed through 2019. The Agreement requires a base payment of \$1,500 per month, with additional costs assessed for new users and custom programming. The related party company at its own discretion may waive receipt of the payments due under the Agreement. During 2018, \$4,500 was waived by the related party. The ultimate outcome of any such future action against the Partnership could have adverse impact on the financial condition, results of operations, or cash flows of the Partnership.
